New Business:

Recent GLCSC Issues:

- A coach was not allowed to coach in the spring tournament because his risk management number was not provided to the Registrar per club bylaws.
- A player was found to have played on 2 different teams for the same club. The coach was suspended for the remainder of the season as well as the spring tournament pending further board action.

Open issues:

Risk Management Cards:

- Discussion was held regarding who monitors whether coaches have Risk Management cards during the season. It was noted that the restrictions may change this year. As of now the coach should be able to present a risk management card to coach.
- It was also noted that the Risk Management system will change per MYSA. Update to follow.

Site Director:

- All clubs were reminded that a Site Director for the club may not act as the Site Director and coach the same game. The Site Director duties may be a delegated responsibility.
