This form shall only be used for regular season games. An individual game form must be used for the tournament. That form is available on the web site.

If the officials were not certified for any of the games played a separate form must be filled out and the President of the league must be notified by email.

If a 2-man system was used (U14 and up) a separate form must be filled out and the President of the league must be notified.

Sportsmanship ratings are 0 to 5. 5 is the best rating that you can receive. If a zero is awarded a site director needs to be notified as to the reason why.
