BOARD REPORTS

Doug Prim - Game report sheets and envelopes are available to pick up today. The others will be mailed to club rep Bobby Appleton -Game reports can be mailed or emailed to me. Please remind the referees to put the rosters in with the game reports when they mail or email them in. The executive board will look into the future of virtual meetings and update the bylaws accordingly

Courtney Johnson - Scheduling was very difficult to do this season as it was my first time and there were many constraints from multiple clubs including coaches coaching multiple teams, needing games home/away on specific dates. Please let me know if anything on the schedule looks off like a team playing in two places at once. Bye games were scheduled as double headers. If you need to move a game, that will need to be done through the club reps. Please let Bobby Appleton know of any game changes so he can make note of it for game reports.

Doug DeWitte - Treasurer report was sent out to all of the club reps.

Jayme Bates - The new system has its challenges. Final roster checks will be done via email.
