OTHER BUSINESS

1. Discussion about options to allow virtual meetings at different times. The executive board will be discussing this over the winter.
2. Monitor your teams and follow all covid guidance from MSYSA and your local health department
3. There is an extreme referee shortage. Clubs should do what they can to recruit more referees
4. Remind your seniors to get their scholarships turned in. This is the last year it will be offered
5. Douglas Prim and Mike Yonan both turned down their nominations for president and treasurer respectively. Robert Appleton and Douglas DeWitte will be the 2022/2023 president and treasurer.
6. Discussion about rules when playing on school property. School rules overpower the league rules - ie, if a school requires all persons on property to wear a mask, all players and coaches must wear a mask. If this is the case at your club, email the league and the club reps for the visiting teams that will be playing at your facility
7. Remind your teams and parents where they should be sitting
8. Make sure your facility has a way for an ambulance to get in in case of an emergency
